HOW TO PLAY

It all begins with one basic rule: Draw one card, Play one card. You start with a hand of three cards... add the card you drew to your hand, and then choose one card to play, following the directions written on your chosen card. As cards are drawn and played from the deck, the rules of the game change from how many cards are drawn, played or even how many cards you can hold at the end of your turn.

- Features all new mechanic that allows players to "clean up Gotham City" by putting villains into Arkham Asylum
- Includes your favorite Batman™ villains, heroes, and icons
- This edition of Fluxx includes Creepers & Surprises. There are no Ungoals
