

# Family Fluxx®

## Three generations of family fun!

Easy enough for children, yet still challenging for adults, Family Fluxx is the perfect card game for maximum family fun. Grandma thinks she's got the win in the bag when she plays the Grandparent Bonus, but oh no! Dad just played the Happy Birthday Goal and Junior's hand is hiding the Gift and Cake Keepers. With ever-changing rules, it's anyone's game until somebody wins!

Family Fluxx begins with one basic rule: Draw one card, choose one card, and follow the directions written on the card to make your play. As cards are drawn and played from the deck, the rules of the game change from how many cards are drawn, played, or even how many cards you can hold at the end of your turn.

"Family Fluxx is a great entry into the Fluxx game system for your younger customers. It is the perfect game for the mom who wants to play with her 6-year old son, teenage daughter and grandpa and have fun at the same time!"

--Pat Fuge, Gnome Games
