

Fluxx[®]

The Card Game of Ever Changing Rules

This Mensa Select Award-Winning game is taking over the world! There are now over a half-million copies of this rule changing card game in play. Fans keep coming back because Fluxx is always fun and never plays the same way twice!

Fluxx begins with one basic rule: Draw one card, choose one card, and follow the directions written on the card to make your play. As cards are drawn and played from the deck, the rules of the game change from how many cards are drawn, played or even how many cards you can hold at the end of your turn. The creative images appeal to kids and the kid in all of us.

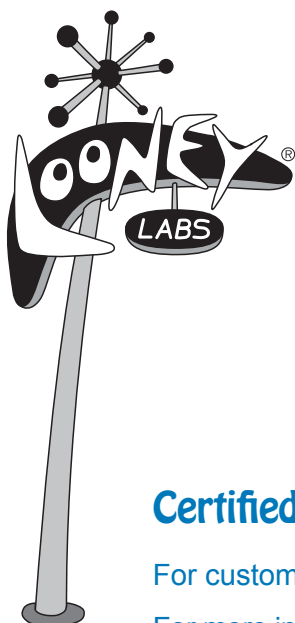

“Our customers can’t get enough Fluxx, from the hilarious Monty Python Fluxx to the rising dead of Zombie Fluxx. Fluxx is a no brainer for us, and super easy to describe or demo to customers. Unlike other card game expansions, we sell near equal amounts of all the Fluxx variants, meaning you don’t want to leave one of these out of the mix.”

– Gary L. Ray – Black Diamond Games
