New Account Credit Application

Looney Labs offers Net 30 Terms based on credit references. There is no additional discount for paying early (although it makes us smile). Late payments are subject to a charge of 1.5% per month (18% per annum).

You MUST complete the first section of this form in order for us to process your credit application!
You must either complete sections two and three of this form, or send us your own credit reference form.

Section 1 – Terms, Agreement and Authorized Buyers

By signing this Credit Application, you attest that you are a representative of _____ (the Company) and that you have the authority to request credit on behalf of the Company. You agree on behalf of the Company to pay all bills promptly. If additional action is necessary to enforce this agreement, you agree that the Company will be responsible for those costs plus any applicable late fees.
