

ARE YOU THE Traitor?

A Deception Party Game From the Makers of Fluxx

It's the moment of truth in your quest to destroy the Evil Magic Key. Your band of adventurers faces two Wizards: an Evil Wizard who wants to use the key to unlock evil powers, and the Good Wizard who has the ability to destroy it. The problem is, the Evil Wizard has disguised himself to look exactly like the Good Wizard, so who do you give the Key to? Choose quickly: one of your trusted Guards is secretly a Traitor – and next round that Traitor might be YOU!

Are You the Traitor? consists of multiple short rounds where each player is on either the good or evil team, and is trying to determine which of their friends are in fact good or evil. Treasure cards are awarded to the winning team, teams change each round, and the first player to earn 10 points of treasure wins!

“Within minutes of opening the box, everyone at the table is bluffing, second-guessing and laughing. Are You the Traitor? is a light-hearted game of deception and misdirection suitable for playing with old friends or making new ones.”

— Mark A. Santillo, Active Imagineering

“Deviously simple and simply devious.”

— James Crocker, Modern Myths & Games
