LOO-115: **Wonderland Fluxx**

What's more topsy-turvy than Fluxx? Wonderland Fluxx! Go down the Rabbit Hole with Looney Labs in their latest literary send-up. Join Alice as she has tea with the Mad Hatter, gets directions from the Cheshire Cat, tries to reason with Tweedle Dee and Tweedle Dum, and grows and shrinks alarmingly. You may even need to slay a Jabberwock to win at this even curiouser version of Fluxx.

Special short run opportunity - we are doing a limited production for a specific customer, and are offering the chance for additional stores and distributors to buy some copies on this same print run. We do not plan to reprint this title again, at least not right away, so you must pre-order to get in on this. **Email: retailers@looneylabs.com or Call: 301-441-1019**

Product will arrive in time for holiday sales, likely September, for sure by October.
