

THE 2025 NEW PRODUCT LINEUP

FROM LOONEY LABS

WORD FLUXX | Street Date: March 25th

Have you heard the word? The alphabet is now in Fluxx! In this word-building version of the ever-changing card game, the Keepers each feature a letter, and the Goals involve making words of various types. With twice the typical number of Keepers, you'll have plenty of letters to build nouns and verbs, palindromes, three-letter acronyms (TLAs), Roman numerals, and more! Word Fluxx spells F-U-N!

MYSTERY FLUXX | Street Date: May 6th

It's a mash-up of all your favorite detective stories! This time, the Keepers include clues to the murder, scenes of the crime, weapons, suspects, and a host of classic detectives. Danger cards can cause players to be eliminated (but don't worry, you can quickly jump back in) and this version introduces another type of card: the Secret! It's non-transferable and if you're forced to play or reveal it, bad stuff happens. The game is afoot!

CAT FLUXX | Street Date: September 9th

Calling all cat lovers! You're sure to get the Zoomies over Cat Fluxx! We've herded nine Cats and their Human into this hilarious card game. In this version of Fluxx, your Cats will enjoy napping in a Sunbeam, playing with a Ball of Yarn, and squeezing into a Cardboard Box. But they may have to endure a Totally Empty Food Bowl or the dreaded Vacuum Cleaner! Meow is the time to get in on the feline fun!
