

THE 2026 NEW PRODUCT LINEUP

FROM LOONEY LABS

DOG FLUXX | Street Date: March 3rd

We've got 11 of the very best doggos in Dog Fluxx! Collect them as Keepers as well as other items you need as a good dog person. Avoid Creepers that keep you from winning, or use Action cards like Did You Bring a Plastic Bag to clean up the Poop. New Rules like Live Dog Bonus give you a boost or change the way the game is played, all while you try to achieve the current Goal to win!

Player Count: 1-6 | Ages: 8-Adult | Playime: 10-30 minutes

SEVEN ISLANDS | Street Date: June 30th

You and a friend are contestants on a reality show! You've been stranded on a tiny tropical island, which is connected to six others by rickety bridges. The first team to reach the designated beacon wins a million bucks! How do you know which beacon to go to? Just look at the sail on the ship currently docked. Better get there quick before a different ship comes in!

Player Count: 1-4 | Ages: 8-Adult | Playime: 10-30 minutes

LITTLE PURPLE BAG | Street Date: June 30th

Designed to hold exactly one standard-size Looney Labs game; hang your favorite version of Fluxx from your belt or backpack, and you're ready to take the fun anywhere! It comes with seven exclusive Fluxx promo cards; mostly they tie into our new game, Seven Islands, but there's also one for Math Fluxx about the number 30 because we're celebrating our 30th anniversary!

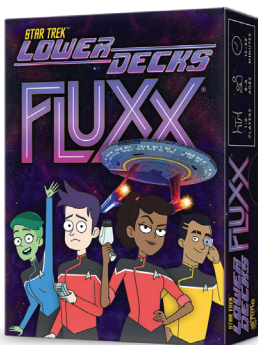

This product is a game accessory, not a standalone game.

STAR TREK LOWER DECKS FLUXX | Street Date: October 20th

The funniest frontier! These are the voyages of the Starship Cerritos, its five-season mission: to inspire the fifth *Star Trek* themed version of Fluxx! Join Boimler, Mariner, Rutherford, and Tendi, plus of course the bridge crew and even Cetacean Ops and Peanut Hamper, as they take on Creepers like the Pakleds, Badgey, and the most fearsome Moopsy. Is your helmet big enough to win you the game?

Player Count: 1-6 | Ages: 8-Adult | Playime: 10-30 minutes
