

FLUXX

THE BOARD GAME

“

Looney Labs had a game that completely, completely took me by surprise... Fluxx: The Board Game. It's still Fluxx, there's still that trademark Looney Labs chaos. However, there is slightly more control in your board position and you feel like you're sort of solving a puzzle.
- Eric Summerer, The Dice Tower

- *Fluxx: The Board Game* is the newest offering from Looney Labs, based on the hit card game.
- It's more strategic than the original card game and delivers everything you'd expect from a name like *Fluxx: The Board Game*.
- The ever-shifting landscape is made of tiles that can be rotated or uprooted elsewhere on the table.
- To win, players must position their pieces on spaces shown on the goal.
- Victory requires meeting several goals but the number needed is subject to change!
- Rules changes are tracked on a comprehensive new pegboard.
- It's a game about change where everything can change—from the rules to the gameboard to the color of your pieces!
