

Zombie Fluxx®

The dead are returning to life!

So what are you going to do about it? Grab a chainsaw? Barricade the windows? Start a Zombie baseball team? Draw a card. Play a card. Try to kill the zombies that are keeping you from winning... Until someone changes the rules and suddenly you might actually want zombies. Can YOU prevent the Zombie Apocalypse?

Zombie Fluxx begins with one basic rule: Draw one card, choose one card, and follow the directions written on the card to make your play. As cards are drawn and played from the deck, the rules of the game change from how many cards are drawn, played, or even how many cards you can hold at the end of your turn. The creative images appeal to kids and the kid in all of us.

"Zombies = \$\$\$\$. Fluxx = \$\$\$\$. Zombie + Fluxx = \$\$\$\$\$\$. If you don't understand what I'm trying to tell you let me be clear - This game is MONEY."
— Steve Ellis, Rainy Day Games
